# Income Gap

The analysis may show you running out of money during retirement. If this were to occur, how would you rank taking the following steps to help alleviate the income gap? Use a scale of 1-6 where 1 would be the most desirable step and 6 the least desirable step.

| Income Gap Options – Rank from 1-6                                | Ranking |
|---|---------|
| Retire at a later date.   |         |
| Work a second or part time job after retirement.                  |         |
| Reduce monthly expenses.  |         |
| If not yet retired, increase contributions to retirement savings. |         |
| Reverse mortgage.   |         |
| Look for other income alternatives.                               |         |
|   |         |

## **Client Signatures**

I hereby attest that the information on this Client Data Form has been provided by me and to the best of my knowledge is accurate. I further understand that the information provided will be used with your retirement software to create my retirement analysis. I understand fixed-only licensed insurance agents may not suggest the sale of an insurance product based upon the sale or liquidation of securities products. Proper registered registrations are required for such recommendations and sales. The information gathered with this form will be used for the sole purpose of helping create a financial strategy for your retirement. The financial professional providing the analysis does not provide tax or legal advice. Prior to making any financial decisions consumers should obtain tax or legal advice from a qualified professional.
